

MATRICI SERIE 84 • PER ATTREZZATURE • DIES SERIES 84 • FOR TOOLS

COMPATIBILITÀ

- BM 184/186 (aggraffatrici idrauliche manuali)
- BM 384 (aggraffatrice idraulica a batteria)
- BM 284/286 (testata aggraffatrici)

COMPATIBILITY

- BM 184/186 (hydraulic manual crimping tools)
- BM 384 (hydraulic battery crimping tool)
- BM 284/286 (crimping heads)

Per tutti • For all		Per conduttori in rame • For copper conductors							
mm ²	prearrotondore prerounding	non isolati • <i>uninsulated</i> (capocorda, connettore testa e parallelo) (terminal lug, butt connector, parallel connector)		non isolati • <i>uninsulated</i> classe 6 • class 6 (capocorda) (terminal lug)		non isolati • <i>uninsulated</i> DIN 46235, 46234, 46267/1 (capocorda, connettore testa) (terminal lug, butt connector)		non isolati • <i>uninsulated</i> Media Tensione Medium Voltage (capocorda, connettore testa) (terminal lug, butt connector)

ADATTATORE ADAPTOR

Articolo Code	Descrizione Description
18694	Adattatore matrici serie 84 per articoli 186 e 286 Series 84 die adapter for items 186 and 286

Legenda simboli | Key to symbols

- | | |
|---|---|
| compressione esagonale hexagonal compression | compressione ovale oval compression |
| compressione a contenimento radiale compression with radial containment | compressione trapezoidale trapezoidal compression |
