

MATRICI SERIE 83 • PER ATTREZZATURE • DIES SERIES 83 • FOR TOOLS

COMPATIBILITÀ

- BM 183/183P (aggraffatrice idraulica manuale)
- BM 383 (aggraffatrice idraulica a batteria)
- BM 283 (testata aggraffatrice)

COMPATIBILITY

- BM 183/183P (hydraulic manual crimping tool)
- BM 383 (hydraulic battery crimping tool)
- BM 283 (crimping head)

mm²	Per tutti For all	Per conduttori in rame • For copper conductors							
	prearrotondatore prerounding	non isolati • <i>uninsulated</i> (capocorda, connettore testa e parallelo) (terminal lug, butt connector, parallel connector)		non isolati • <i>uninsulated</i> classe 6 • <i>class 6</i> (capocorda) (terminal lug)		non isolati • <i>uninsulated</i> DIN 46235, 46234, 46267/1 (capocorda, connettore testa) (terminal lug, butt connector)		non isolati • <i>uninsulated</i> Media Tensione Medium Voltage (capocorda, connettore testa) (terminal lug, butt connector)

Legenda simboli | Key to symbols

- compressione esagonale | *hexagonal compression*
- compressione ovale | *oval compression*
- compressione a contenimento radiale | *compression with radial containment*
- compressione trapezoidale | *trapezoidal compression*
